WHY YOUR SUPPORT MATTERS

QCP COVID-19 UPDATE

For 70 years, QCP has been a Queens success story. We have stuck to our core values, and delivered our mission of promoting independence, community involvement and the quality of life for people with intellectual & developmental disabilities, while embodying fiscal responsibility. We have weathered natural and man-made disasters. The good times and the bad. And we were able to do this because of YOU.

But right now, things are different. Due to Covid-19, our life-sustaining services are being performed remotely. QCP's residents in our group homes require a level of care that far exceeds the demands of our staff under usual circumstances.

Now more than ever, **YOUR SUPPORT MATTERS** because it is through your generous support that QCP continues to thrive. As we look forward to our future and reopening our programs slowly, we want to make sure that people with intellectual & developmental disabilities are well-cared for and continue their road to personal growth and independence! **YOU** can make that happen. We cannot do it without you.

We have come a **LONG** way since this pandemic began and we are so proud of our staff who go above and beyond in QCP's time of need! In honor of our heroic staff, we ask that you consider donating and joining QCP's *Loyalty Circle*.
